**CORPORATE UNITED ADDS GLOBAL OFFICE PRODUCTS
OFFERING AND DOCUMENT SHREDDING AGREEMENT**

CLEVELAND – Oct. 7, 2009 – Corporate United, the nation’s largest group purchasing organization (GPO), announces that Lyreco will provide its members with a global office products offering through OfficeMax. Additionally, the GPO has partnered with Cintas Document Management to offer its members a document shredding services agreement.

“By adding Lyreco’s global offering to our existing OfficeMax agreement, we will be able to serve the international office products needs of our members,” says Marc Rosen, Corporate United president. “We are very pleased our members have already begun to assess and participate in the new offering.”

OfficeMax/Lyreco Agreement

As part of the agreement with Lyreco, Corporate United members can now take advantage of a comprehensive global solution for their international office products needs when they participate in the OfficeMax/Lyreco offering.

In October 2008, OfficeMax and Lyreco entered into an alliance to better serve their customers throughout the world. The partnership brings together the expertise and footprint of two leaders in business-to-business office supply solutions. Lyreco and OfficeMax can now provide exceptional office supplies service to their multinational customers in a broader geographical coverage.

The Corporate United agreement with OfficeMax and Lyreco includes more than 4,500 common international office products. Corporate United is able to offer its members aggressively priced products due to the combined domestic and international office products volume.

Corporate United negotiated best-in-class service level guarantees, delivering consistent order and fulfillment accuracy across the geographic footprint. The agreement also provides a dedicated international account team to develop and rollout a smooth global implementation process, as well as to serve as a member's ongoing program manager.

Cintas Document Management Agreement

Corporate United's document shredding agreement with Cintas Document Management offers its members on and offsite shredding services that are automated, secure and confidential. This agreement also provides national service coverage with flexible, fast and cost-effective service options.

Cintas Document Management has the National Association for Information Destruction (NAID) AAA Certification and adheres to stringent security practices and procedures – every operation is audited regularly by the NAID and Cintas' General Managers and Regional Business Directors. Cintas Document Management also provides uniformed and background-checked service representatives, PRC (bar coding) technology for tracking proof of service and full chain of custody and secure trucks with state-of-the-art locking mechanisms for enhanced security.
