**CORPORATE UNITED NAMES CENTIMARK 2008 SUPPLIER OF THE YEAR**

CLEVELAND – Dec. 3, 2008 – Corporate United, the nation’s largest group purchasing organization, recognizes CentiMark as its 2008 Supplier of the Year. CentiMark (Canonsburg, PA), North America’s leading full-service commercial and industrial roofing contractor, is the third fastest growing contract among Corporate United members.

The Supplier of the Year honor is an annual award given to the supplier that ranks highest in overall satisfaction among Corporate United members. The survey allows members to rate suppliers based on account management, pricing, level of quality, breadth of offerings and overall satisfaction.

“The Supplier of the Year award is something Corporate United and our members take very seriously,” says Marc Rosen, Corporate United president. “We are proud to honor CentiMark as our 2008 Supplier of the Year, as this award speaks volumes to the exceptional services the company provides our members.”

Corporate United began giving the award in 2003; past winners of the award include Volt Workforce Solutions, Konica Minolta, Choctaw-Kaul, and OfficeMax.

### **About Corporate United**

Corporate United is the nation's largest group purchasing organization, with more than 100 Global 2000 companies across every industry sector collaborating for the purposes of enhancing their spend management efforts, sharing best practices and interacting with an unrivaled network of professionals.

For more than a decade, Corporate United has provided its membership with unique solutions to more effectively manage indirect spend across their enterprise. By combining leveraged agreements with ongoing supplier development and implementation support, member organizations realize savings and resource flexibility. For more information, contact our headquarters at 440.895.0938 or visit [www.corporateunited.com](http://www.corporateunited.com).

### **About CentiMark**

CentiMark is a full-service commercial and industrial roofing contractor offering a full complement of roofing solutions: roof systems, emergency leak service, roof repair, maintenance programs and multiple site roof inspections. Our re-roofing services are typically on flat roofs utilizing EPDM roofs (rubber roofing), TPO, bitumen roof, spray polyurethane foam and coatings. We proudly serve North America as the largest roofing contractor.
