**CORPORATE UNITED PRESENTS MEMBER AWARDS TO
PENTAIR AND PROGRESSIVE INSURANCE**

Corporate United honors two of its member companies for Excellence in Advocacy and Participation.

CLEVELAND — June 10, 2009 — Corporate United, the nation’s largest group purchasing organization, honored two member companies at its annual SYNERGY conference in May. The members were chosen for exemplifying a solid commitment to the Corporate United membership.

Pentair, Inc., a diversified industrial manufacturer operating in the water and technical products segments, received an award for “Excellence in Advocacy.” The success of Corporate United is based upon member companies taking advantage of the organization’s potential for massive leverage. Pentair, was selected for this honor because the company has gone to great lengths to realize that potential by participating on exploratory, sourcing, and supplier management committees.

”We are pleased to have received this award from Corporate United and consider them a valued partner in supporting our efforts to drive ongoing improvements in Indirect materials and services,” said Alan Harrah, Vice President of Supply Excellence, Pentair.

Progressive Insurance was honored for its “Excellence in Participation.” Interaction among the organization’s more than 130 member companies is a major part of the Corporate United value proposition. Progressive Insurance was chosen for this honor because the company is a mainstay on the member message board (Corporate United’s online member forum) and at events, and acts as a referral to members, prospective

members and suppliers. The Progressive Group of Insurance Companies is one of the country's largest auto insurance groups, the largest seller of motorcycle policies, and a market leader in commercial auto insurance based on premiums written.
