CORPORATE UNITED ANNOUNCES BACKGROUND CHECKS & DRUG SCREENING AGREEMENT WITH ACXIOM INFORMATION SECURITY SERVICES, INC.

CLEVELAND – June 15, 2010 – Corporate United, the nation’s largest group purchasing organization, is pleased to announce a new three-year agreement with Acxiom Information Security Services, Inc. a wholly owned subsidiary of Acxiom® Corporation (Nasdaq: ACXM), for background checks and drug screening.

[Acxiom Information Security Services](#), an industry leader for employment screening, will deliver Corporate United members a variety of customizable solutions to help meet their background check and drug screening requirements. These services, which include criminal record searches, employment verification, motor vehicle records, etc., are designed to ascertain whether job applicants are suitable for the position in advance of the hiring decision. Furthermore, a quality screening program helps to reduce turnover and training costs, while protecting the integrity of the company brand.

Corporate United’s member committee conducted an eight-month sourcing process to evaluate more than 30 employment verification companies. Acxiom's data quality, compliance expertise and sophisticated technology platform made them the clear choice for the group.

Corporate United members participating in the background checks agreement will receive the following benefits:

- A full range of accurate, cost-effective screening services available through a single point of contact with consolidated information
- No-charge access to proprietary technology tools that expedite completion and enhance depth of solutions

-more-

- 100% in-person/real-time searches with guaranteed turnaround times
- Quarterly reports summarizing purchasing, cost-saving activities and employment screening results
- A dedicated national account support team
- A group rebate incentive and preferred pricing that reflects the spend volume of the membership
- Implementation and compliance support to see to it that savings and other improvements are realized in an expedient manner
- Contract and supplier management to monitor Acxiom's adherence to terms and conditions of the agreement, guarantee pricing and service level accuracy
- Business reviews, customized reports, facilitation of communication between all parties

"Together, we are pleased to offer Corporate United members the unique opportunity to implement Acxiom's high quality, customer-centric background screening program to support their respective compliance, loss prevention, employee retention and staff productivity goals," says Michael Cool, senior vice president of Acxiom Information Security Services. "Member employers may, perhaps for the first time, obtain access to Acxiom's real time background check information and comprehensive compliance expertise, and at the same time enjoy significant, newly leveraged cost savings."

"We conducted a very thorough sourcing process and are confident with our decision to select Acxiom Information Security Services as our background checks and drug screening supplier," says Gary Como, vice president, sourcing operations for Corporate United. "The Acxiom agreement has been added to our portfolio of more than 25 pre-negotiated contracts."

About Corporate United

Corporate United is a member-based organization whose mission is to advance the collective spend management efforts of its member companies; it achieves this by combining access to market-leading leveraged agreements and the application of category lifecycle management (CLM). Through its CLM process, Corporate United handles the ongoing management of the contracts and suppliers across its more than 25 pre-negotiated indirect agreements.

-more-

Corporate United is comprised of more than 160 member companies, spanning every industry sector and representing over \$40 billion in aggregated spend. Founded in 1997, Corporate United is headquartered in Cleveland, Ohio. For more information, contact us at 440.895.0938 or visit www.corporateunited.com.
